

"Grow With The Best"

Heirloom Vegetable, Herb & Flower Seeds from Underwood Gardens

featuring **Terroir Seeds LLC Heirloom Seeds Catalog**
Established 1993

You have found the best source for the finest heirloom seeds and heirloom vegetable gardening! Thanks for stopping by!

We are a family owned, independent heirloom seed company offering the finest *untreated* heirloom and open pollinated vegetable, herb and flower seeds for home gardeners and small growers. We offer soil building and seed saving education combined with personal service, great selection and fast shipping. [Learn more](#)

Cindy and Stephen Scott

As featured in **Sunset Magazine's** Southwest edition for June, here are two varieties you can plant right now! Click on the image below for the full description.

Cucamelons are Dollhouse sized melons that taste like "Cucumber with a bit of watermelon rind and a squeeze of lemon juice."

Cucamelon

Fuzzy White Italian Cucumber produces loads of small crisp, slightly-sweet greenish-white cucumbers with a fuzzy skin.

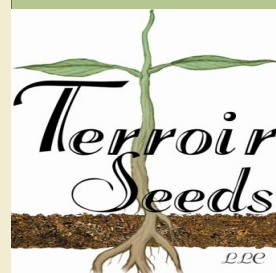

Fuzzy Italian Cucumber

For more ideas on veggies you can plant in your garden today see our **Recommended Varieties to Plant Now.**

Here is our 2011 Terroir Seeds Catalog! Click on the image below for a live view, or click [here](#) to order your own copy.

We have created our very own **Terroir Seeds Garden Journal!** Click the image below for a live view, and use the print function at the top of the live view toolbar to print your own **free** Garden

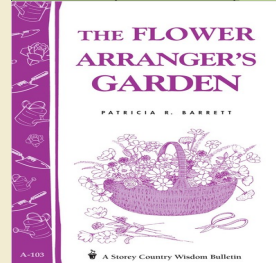

Mesclun Medley Lettuce -
(Lactuca sativa)
